Community Group Questions
Sunday October 16

Ministry-Created to serve

Discuss:

1. Tell the truth-Would you rather receive a great gift or give away a great gift?

2. What part of the sermon challenged you the most?

Read- Ephesians 2:1-10

3. In your own words describe God's grace.

4. What are your "non-spiritual gifts" that you struggle with as a follower of Christ? *Examples of non-spiritual gifts could be anger, pride, spiritual inconsistencies, sarcasm and much more.*

5. Santa Claus like country music has horrible Theology (Truth about God). *After all, Santa keeps an ongoing list of all the good and all the bad and rewards accordingly*. Is it difficult for you to fully accept that you can do nothing to earn God's favor? Does it bother you that Scripture lumps your sin in with the sins of the murderer, child predators, etc.?

6. What does God's grace have to do with us serving others?

7. God views you through the eyes of His forgiveness and grace as a masterpiece. Are you able to view yourself the way God does?

Pray for each other!
