Community Group Questions
Sunday December 18

The Upside Down Kingdom
Hunger pains

1. Are you ready for Christmas physically? (bought all your gifts, dinner is planned etc.) Are you ready spiritually?

Matthew 5:6

2. Why does Jesus use a physical need like food to explain a deep spiritual truth?

3. What does it mean to hunger and thirst for righteousness? Does God want us to be so fully vested in others that we experience their pain?

Matthew 9:36

4. Discuss the difference of having compassion for someone and feeling sorry for someone. Have you been guilty of feeling badly about someone's situation but you did nothing about it?

5. What would your response be if your own child were suffering from injustice? How can we take that same passion we have for our immediate family and transfer it to others who are experiencing pain and suffering?

Revelation 7:16, 19:7-9

6. Picture yourself with Jesus and others at the wedding of the lamb in heaven. Discuss what it will be like (dream). Imagine those who you served/loved in Jesus name. How can an eternal focus change how we live?
