

## Community Group Questions Sunday, February 12

### SALT & LIGHT

1. Have you ever put food into your mouth hoping it was going to be amazing and it tasted horrible? What was your reaction?

### Read Matthew 5:13-16

2. Salt represents purity, it is a preservative and it brings flavor. Discuss how as followers of Christ, we can show others what He is like through purity, preservation, and flavor.

### Read Colossians 4:6

3. Are you sharing the grace (salt) of God with others? *What is your reasoning for your lack of seasoning? (Catchy, I know.)* What holds you back from sharing your faith?
4. In [John 9:5](#) Jesus tells us that **He** is the light of the world while He is in the world. Here in [Matthew 5:14](#) Jesus tells us that **we** are the light of the world. The Spirit of God was fully alive in Jesus Christ and He is available to be fully alive in us. Discuss the following:
  - We are called to be just like Jesus. **How** are we expected to shine like Him?
5. Why does Jesus tell us that we are the light of the world and not the light of the church? According to Jesus, is Christianity ever something that is to be hidden? If we don't share Jesus with those around us who will?
6. We are the seasoning and the illuminating presence of God in a dark and tasteless world for one reason according to Jesus. The reason is to bring glory to God. Is your purpose to bring Him glory?
